- incl. float switch

technical details:

motor data:

motor power s1 in W: 750
voltage: 230V/50Hz
cable length: 10
engine type: IP X8

pumps:

max. pump capacity in m³/h: 12
max. pump height in m: 10
max. pump depth in m: 7
max. water temperature in °C: 35

weight:

gross weight in kg: 7.30
net weight in kg: 6.80

packaging:

packaging width in mm: 200
packaging length in mm: 200
packaging height in mm: 380

general data:

EAN code: 9120039233260
