HOLZMANN MASCHINEN VD1100ECO\_400V ?????????? ?? ???????????

- ?????????????? ?????????????? ?????????????? ??????????????.

### highlights:

- copying device to copy from originals or templates
- Starter model with excellent performance-price-ratio
- high degree of concentricity
- variable speed control
- delivery content: copying device, face plate, toolset

### technical details:

#### motor data:

speed in min-1: 1400  
voltage: 400V / 3 / 50Hz  
motor power s1 in W: 750

#### turning machines:

spindle bore in mm: 10  
tailstock sleeve travel: 120  
spindle nose mount: MK2  
lathe spindle speed in min-1: 500-2000  
center height in mm: 175  
distance between centers in mm: 1000

#### weight:

net weight in kg: 78  
gross weight in kg: 80

#### packaging:

height in mm: 460  
length in mm: 1.480  
width in mm: 410

#### general data:

EAN code:  
9120058375750
